***Examiner's Amendment***

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

**IN THE SPECIFICATION:**

On page 1, the title was replaced with the following new title.

**Methods For Producing Modified Starch**

**IN THE CLAIMS:**

Claims 44 and 53 were cancelled without prejudice.

Claims 36-38, 42-43, and 45-52 were amended as follows:

In Claims 36, line 7, 37, line 7, and 38, line 7, the word "about" was deleted occurring after the term "at least".

In Claims 42, line 6 and 43 line 2, the word "about" was deleted occurring after the term "less than".

In Claims 45-47 in line 1 the word "potato" was inserted before the 1<sup>st</sup> occurrence of the word "plant" and in line 7 the word "about" was deleted occurring after the term "at least".

In Claims 48-50, line 1, the word "potato" was inserted before the 1<sup>st</sup> occurrence of the word "plant".

In claims 51-52 in line 1, the word "potato" was inserted before the 1<sup>st</sup> occurrence of the word "plant" and in line 7 the word "about" was deleted occurring after the term "at least".

Authorization for this examiner's amendment was given in a telephone interview with Anna Soloweij on 08/04/2007.

The following is an examiner's statement of reasons for allowance: The amendment of the claims to narrow the subject matter to potato plants transformed with antisense constructs which encode both starch synthase II and starch synthase III to give the claimed starch phenotypes renders the claims free of the prior art given the failure of the prior art to teach or suggest transforming a potato plant with both starch synthase II and starch synthase III for the starch phenotype of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to BRENT PAGE whose telephone number is (571)272-5914. The examiner can normally be reached on Monday-Friday 8-5.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Anne Marie Grunberg can be reached on (571)-272-0975. The fax phone

number for the organization where this application or proceeding is assigned is 571-273-8300.
